- French: well written & spoken.

Address: P. O. Box 75
Nablus, West Bank.

Telephone: + 972 – 9 – 2341111

Fax: + 972 – 9 – 2370385

Mobile: + 972 – 599 – 674216

E-mail: abeerabughosh @yahoo.com.

Education:

- MSc in Pharmaceutical Technology, King's College London, University of London, UK, 1997.

Dissertation title: Effect of powder formulation and preparative process on the in vitro deposition of lactose and sulbutamol sulphate from dry powder inhalers.

“Pass with Distinction”.

Awarded the Abbott prize for pharmacy for 1997.

- BSc in Pharmaceutical sciences, college of pharmacy, university of Jordan, Amman, Jordan, 1991.

Professional Experience:

- Instructor, college Pharmacy, An-Najah National University, Nablus, West Bank.
Feb. 1998 – present.

I have been with the college since its inception and helped establish both practical and theoretical courses. Over the past years, I have been extensively involved in setting up and lecturing many courses in the college such as courses of Pharmaceutics 1,2 , Industrial Pharmacy, Pharmaceutical Technology, marketing and promotion of pharmaceuticals, Nonprescription Medications, medical and pharmaceutical terminology as well as supervise lab sessions of Pharmaceutical Dosage Form Preparations which I have established over the early years of joining the university.

- Teaching and research assistant, college of pharmacy, Petra University, Amman, Jordan.
Sep. 1994 – Feb. 1998.
I have worked as a teaching and research assistant and helped in establishing practical lab sessions of Industrial Pharmacy, Phytochemistry, and Pharmacognosy as well as conduct research with working professors on various topics of dosage form delivery systems.
- Pharmacist in charge, Al-Rabieh Pharmacy, Amman, Jordan.
May 1992 – Sep.1994
Duties: Responsible Pharmacist.
- Formulation scientist, Research and development department, Hikma Pharmaceuticals, Amman, Jordan.
July 1991 – May 1992
I was responsible for development of new drug formulations of various dosage forms and drug delivery systems, follow up of scale up and production batches as well as trouble shooting in production department.

Specialized Training Courses:

- Attended a course in “Good Manufacturing Practice” and “Good Laboratory Practice” An-Najah National University, Aug. 2000.
- International computer driving license course (ICDL), An-Najah National University, Sep.2004-Jan. 2005.

Major Conferences and seminars:

- The 2nd International conference of the faculty of pharmacy, Amman, Jordan, October 2001.
- Palestinian Pharmacists Conference, Nablus, West Bank, May 1999.
Presented a paper on regulatory aspects of drugs in Palestine.
- Drug Delivery To The Lung Conference, London, UK, 1999.
Presented a paper on effects of powder formulation and preparative process on the in - vitro deposition of lactose and salbutamol sulphate from dry powder inhalers.
- Palestinian Pharmacists Conference, Birzeit, West Bank, May 1998.
Presented a paper on formulation factors affecting delivery of salbutamol sulphate and lactose from dry powder inhalers.

Publications and research activities:

1) **Effects of particle size and adding sequence of fine lactose on the deposition of salbutamol sulphate from a dry powder formulation • ARTICLE**
International Journal of Pharmaceutics, Volume 182, Issue 2, 25 May 1999, Pages 133-144

Xian Ming **Zeng**, Gary Peter Martin, Seah-Kee Tee, Abeer Abu Ghoush and Christopher Marriott.

2) **Chewable tablets: Is this dosage form well evaluated by Palestinian health professionals?**

The Islamic university journal, Vol. 15, No. 2, pp 83-94, 2007.

Abdel Naser Zaid*, Abeer O. Abu Ghoush* , Waleed M. Sweileh* , Samah W. Al-Jabi *, Nidal Jaradat*.

3) **Uniformity of weight of scored tablets in selected antihypertensive preparations.**

Abeer O. Abu Ghoush, Abdel Naser Zaid, Waleed M. Sweileh, Naim Kettaneh.

Submitted for publication -awaiting approval.
