Biography:

Samah Abd Lateif Mousa Ishtieh Buzieh, BSN., MSN in Nursing Management.

I am a teacher & clinical coordinator at Nursing department at Faculty of medicine and health sciences/An-Najah National University. Earned a bachelor's degree in nursing from the University of Jordan in 1997 and worked in Rafidya Hospital specialized in several sections

such as Burn unit and Intensive care Unit (ICU), Neonate intensive care (NICU), emergency department and others. I worked as trainer clinical nursing students in 2005 and then in 2006 submitted my resignation from the Rafidia hospital to work in the College of Nursing-Najah National University as a research and teaching assistant and coordinator for practical training program of Nursing, Midwifery and Master Program of Community Mental Health Nursing until now. Through that I earned a master's degree in nursing administration in 2010 from AL-Quds University. Her Master dissertation title: "Perception and Practices of West Bank Nursing Faculties toward Nursing Education Standards at Bachelor level". She shared with a Project of Problem-based Learning in Nursing College at the University of An-Najah. She worked extensively with Intended Learning Outcomes (ILOs) and she starts her course 'nursing management and leadership' on moodle program. She is a research supervisor for baccalaureate students at An-Najah National University. She attended several conferences locally and internationally that are related to her specialty field.
